Nice 1960 HiPo Sedan!

FACTORY SUPER STOCK

FORD DIDN'T BUILD ITS FIRST LIGHTWEIGHT DRAG CARS UNTIL AUGUST, 1962. BUT IF THEY HAD DESIGNED A BUILT A FACTORY SIS IN 1960, IT WOULD HAVE BEEN MUCH LIKE THIS:

- BASE MODEL 64F FAIRLANE TWO DOOR SEDAN
- LIGHTWEIGHT 6 CYLINDER FRAME
- 117 PERFORMANCE 352 CI, 360 HORSEPOWER ENGINE
- BOB FROM LIGHTWEIGHT BUCKET SEATS
- RADIO AND HEATER DELETE
- INSULATION AND SOUND DEADENER NOT INSTALLED
- LIGHTWEIGHT RUBBER FLOORMATS
- 4.86 REAR AXLE RATIO WITH DETROIT LOCKER
- 31 SPLINE AXLES
- MOLDED FIBERGLASS FRONT BUMPER AND ALUMINUM BRACKETS
- COLD AIR INDUCTION THROUGH COWL
- STAHM "TOTAL TUNED" HEADERS

THIS CAR WAS BUILT TO COMPLY WITH 1960 NHA RULES AND THE TECHNOLOGY THAT EXISTED AT THAT TIME. AT THE NATIONALS ON LARSON DAY IN DETROIT IN 1962, THE FASTEST 60 CAR WAS THE 1960 FORD HIPO SUPER STOCK. JIM WARRNER DROVE THE CAR TO 10.90 SECONDS TO WINK ELMINATION HOURS TURNING 100 FT. QUARTERS AT 141.42 MPH. THE NATIONAL ET RECORDS AT THAT TIME STOOD AT 14.25. OUR EFFORTS WITH THIS '60 FAIRLANE ARE AIMED AT PROVING THAT A WELL PREPARED FORD WOULD HAVE COMPETED SUCCESSFULLY AGAINST THE COUNTRY'S QUICKEST STOCKERS.

IN STOCK AS OF 9/15/2011 1964 Galaxie Rear (YES, we DO have a rear right now.) Lots of Galaxie Bumpers in stock. Call for quotes. Complete set of refurbished and reanodized headlight bezels for 1964 Galaxie \$500 for the set. Complete refurbished 1964 Galaxie grille. Painted and assembled. A 9.5 out of a 10 \$750 plus shipping. I don't want a core. Polished totally stainless steel bumper bolt, nuts and washers with a slightly smaller head diameter are available for \$6.00 each. 16 or more \$5.00 each. Be sure to CALL for availability. STAINLESS STEEL bypass hose nipple for FE intake manifold \$7.00 includes shipping. Replace that old steel nipple with one that will NEVER rot out! * Halogen headlights dim? Is your headlight switch overheating causing the headlights to go out or flicker? The answer is our headlight relay set designed to tie into your existing headlight harness allowing your headlights to receive full power permitting a 15-25% increase in brightness. The power bypasses the headlight switch extending its life indefinitely.

Pre-built, complete ready to install units \$45.00 including priority mail shipping. * MINIATURE SOLID STATE VOLTAGE regulators that bolt to the back of a Ford alternator, allowing you to install an alternator very easily in your pre alternator Galaxie! These make an alternator into a one wire design with an extra wire for your dash light. \$40.00 including shipping. * Suspension conversion kits for 1963 and 1964 Galaxies. Do away with that pain in the behind offset shaft that is in the front of the lower control arms. This conversion gives you a complete set up for both sides so that you don't have the alignment problems. \$190.00 + \$12.00 shipping, with your concentric nut core exchange (add a \$50 deposit if you cannot furnish cores-refundable upon receipt of good cores). With this conversion you won't need toe in bars, or new bushings or offset shafts when you rebuild your front end. All you will need is this kit and you are back in business. DOES NOT look 100% original. Just makes the car handle 100% better. Make checks out to Mark Reynolds Postal Money Order gets IMMEDIATE shipment upon receipt.
